

**JOB OFFER**  
**Médecins Sans Frontières MSF (Belgian section)**  
**Health, Safety and Environmental Focal Point**  
**in Dnipro**

Médecins Sans Frontières (MSF) is an international humanitarian aid organization that provides assistance in more than 60 countries to populations in distress, to victims of natural or manmade disasters and to victims of armed conflicts, without discrimination and irrespective of origin, religion, creed or political affiliation.

MSF is a civil society initiative that brings together individuals committed to the assistance of other human beings in crisis. As such MSF is by choice an association.

Each individual working with MSF does it out of conviction and is ready to uphold the values and principles of MSF.
